We are requiring the students to walk around in groups of at least 3. We will let them sign up for a group the week of the event. If you have any concerns, please come with us and have some fun with your child!

You may purchase tickets for your family at our group rate (includes ticket and meal). Parents must chaperone children not in the orchestra program. Parents are welcome to attend, chaperone and splash around with us.

Please fill out the information below and return with your payment in a sealed envelope with your child's name on the front by May 15th. We are not allowed to buy more tickets at the gate, so we **MUST** have the money by MAY 15th!!!
